

2020 REVANA TERROIR SERIES CABERNET SAUVIGNON ST. HELENA AVA - NAPA VALLEY

Our 2020 Terroir Series Cabernet Sauvignon is crafted from the fruit of a selection of two distinct vineyards within the St. Helena AVA. The rare volcanic Aiken Stony Clay loam soil on the steep slopes of the Sodhani Vineyard and the mixture of gravel and sand from hillside erosion at the Revana Estate Vineyard produce fruit that comes together to create a wine with intense yet balanced flavor.

Under the guidance of two Napa Valley legends, Vineyard Manager, Jim Barbour, and Winemaker, Thomas Rivers Brown, this fruit is hand-picked, hand-sorted, and then whole berry fermented in micro-fermentation batches. This results in a richly textured Napa Valley Cabernet Blend that is incredibly approachable upon release.
